*The LFCC typically meets regularly on the first Monday of each month at 2pm. Changes are announced in advance.

The LFCC usually runs on a calendar year schedule as opposed to fiscal year due to its alignment with the CFC schedule. Census Bureau Regional Director Kathleen Ludgate currently chairs the LFCC. It is expected that a new Chair will be installed in July 2009 in preparation for the 2009 CFC (to kick off in September 2009.) Schedule may be subject to change when that occurs.

Agenda and minutes are sent about 5 days in advance by member Celia Atkinson. Please remember to RSVP to her and / or notify her if you plan to participate via conference call.
